

Get Rewarded with TrackTime

TrackTime is already one of the best places to drive. No one else gives you lots of track time at a great price with safety in mind. Now you have one more reason to choose TrackTime. We reward you every time you sign up. The Get Rewarded program is very simple.

Get 1 point for every \$1 you spend

Redeem 400 points and get a free T-shirt

Redeem 725 points and get a free set of TrackTime number panels for your car

Redeem 1000 points and get \$100 off your next event

Redeem 2000 points and get \$300 off your next event

Fine print:

- Program starts in January 2022.
- Points expire two years after the event.
- You only get points by signing up through online registration app and it has to be all under one name. So if you have more than 1 user profile online for example, you can't add them up.
- Points are not transferable and only apply to that driver profile.
- To redeem points, fill out the Redemption Form. You must sign up at least 10 days before the event to redeem using points.
- There are no blackout dates but if the event is full, normal wait list rules apply.
- The points have no cash value.
- We reserve the right to change the Get Rewarded structure.
- You must have the points needed to redeem your reward. For example, if you have 999 points, you get nothing until you earn that last point to get you the 1000 needed.
